Dear Sirs,

herby I'd like to ask you information about my application concerning the International demand PCT/IT03/00061 for which I asked a national entry phase in U.S. during the last August (you received the documents in date 5th). I have not received neither confirmation nor other correspondence. Did you accept the date of payment (my bank executed my order of wire transfer with one week delay ...)? Are there problems? I hope that you could help me (I will apply for a Customer Number, perhaps, in future, but now, for this application only, I ask your kind help).

Thank you in advance for your kind reply.

Best regards,

Alessandro Mattioli
